

**Players pay for themselves** – early registration is \$39, regular registration is \$49. Using your unique link, they’ll register for a specific Challenge date, becoming a member of your team.

**Friends and family can also join your team**, enabling you to grow your team as large as you like.

**You’ll earn a percentage of registration revenue from every paying member of your team**, depending on the number of players you enroll. The bigger your team, the more you’ll earn:

<b>REVENUE-BASED TEAM PRICING</b> <i>(\$99 team registration, players pay for themselves. Revenue share to partner is volume-based.)</i>	
<b>Team Size</b>	<b>Revenue Share*</b>
1-9 Players	0%
10-60 Players	30%
61-120 Players	40%
121+ Players	50%

\*Revenue share is paid via PayPal or Dwolla and is distributed four weeks after the start the Challenge.

### TEAMS COST \$99 TO REGISTER AND INCLUDE:

- All the promotional materials you need to build your team, including emails, web copy, and fliers.
- Three complimentary player registrations – 1 for your team leader and 2 additional free entries.
- An online scoreboard unique to your team so you can see how everyone is doing day-to-day.
- Ongoing guidance for team leaders on boosting and maintaining player engagement.
- An online communication feed for your team to share, support, and encourage each other.
- An administration console that lets you measure the daily and weekly engagement of your players.
- The ability to create sub-teams under your larger team umbrella – perfect for large groups.
- Instructions on holding preliminary rally, conducting baseline testing, and taking player measurements.
- 24/7 support for players via our Help Center for technical, scoring, or rules questions.
